Expiration date _____

This card entitles you only to privileges authorized by the lending institution. You are personally responsible for fines and penalties. Privileges may be suspended or revoked at any time.

All public institutions of higher education and all independent colleges in the State affiliated with the South Carolina Independent Colleges and Universities have committed themselves to implementing the South Carolina Statewide Library Borrowing Card Agreement.

Under the terms of the Agreement, students, faculty, and staff are issued a statewide borrower card by their institutional library. The terms for lending to students, faculty and staff who are borrowing from a library other than their own institutional library shall be considered by the lending library.

If you plan to visit a participating library, you **must**:

- Stop by the Service Desk in the library or call 803-793-5215/6 for information.
- For a list of participating colleges/universities, select the Statewide Library Borrowing link on the library's webpage.
