

2017 Angela DiPietro Women in Business Scholarship | Award: \$500

There are many hurdles for women to overcome in the workplace, and Ms. DiPietro is an outspoken advocate for continuing the fight for equality and increased opportunities for underrepresented women. Progress has been made—the wage gap is closing in many professions, more women are entering the STEM fields, and gender roles are becoming less restrictive—but there is still so much work to be done. Ms. DiPietro feels that one of the best ways to encourage women entrepreneurs is to provide access to more and better educational opportunities for women everywhere. As such, she is proud to sponsor the Angela DiPietro Women in Business Scholarship and Essay Contest. The winner will receive a \$500 scholarship to help further educational goals and create a more diverse, inclusive business community.
