Early Childhood Development

Program Description: The Early Childhood Development Program is targeted toward individuals who are currently employed in the field and wish to enhance their skills, as well as students with no previous experience in Early Childhood Development. The program provides the theory and practical application in the growth and development, learning and behavior of pre-school children. Students who matriculate in this certificate program must have a Tuberculin Skin Test, a SLED Clearance, and CPR/First Aid. Courses in this program are transferable to a number of senior institutions. Graduates of this program may pursue employment opportunities as teacher assistants in Day Care Centers, Nursery Schools, Elementary Schools, Head Start Centers, and other Child Development agencies.
