Legal Authority: Section 59-53-51 of the 1976 Code of Laws of South Carolina, As Amended,
U.S. Equal Employment Opportunity Commission ADA, Rehabilitation Act,
29 CFR Part 1630

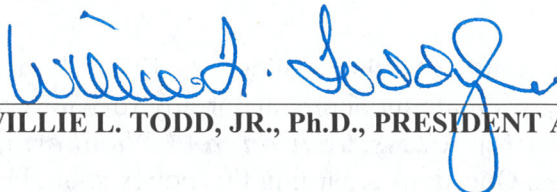

State Board Policy: N/A

Approval Date:

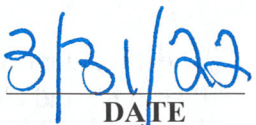

Responsible Office: Office of the President

Responsible Executive: President/Chief Executive Officer

Applies to: College Community

WILLIE L. TODD, JR., Ph.D., PRESIDENT AND CEO

DATE

POLICY STATEMENT

In its duty to make every effort to protect employees, students, and others while on the premises of the College, it is the policy of Denmark Technical College that all employees, students, vendors/contractors, and visitors to its main campus or satellite sites shall only be required to practice physical/social distancing and to wear protective masks in instructional and lab spaces, the cafeteria, office spaces, and at campus-wide or called assemblies. Voluntary masking in common areas, residence halls and anywhere groups are gathered is encouraged. Masks are available from the College Health Services. Individuals who have been released from quarantine or isolation are required to wear masks indoors and outdoors on campus for a minimum of five days. All students and employees who have tested positive for COVID are required to provide negative test results before they are allowed to return to campus. Additionally, all such groups, while on the main

campus or at satellite sites, shall adhere to the most recently issued COVID-19 prevention guidelines published by the South Carolina Department of Health and Environmental Control (DHEC) and the Centers for Disease Control and Prevention (CDC).

Failure to comply with this policy or the published standards, guidelines or practices outlined by the DHEC or the CDC could lead to disciplinary or other appropriate action as determined by the individuals associated group.

DEFINITIONS

There are no definitions associated with this policy.

CONTACT(S)

The President and Chief Executive Officer officially interprets this policy. Additionally, the President and Chief Executive Officer is responsible for obtaining approval for any revisions as required by Administrative Policy 0.1.100, *Policy Classification and Numbering System* through the appropriate governance structures. Questions regarding this policy should be directed to the Office of the President.

STAKEHOLDER(S)

College wide, faculty and staff, students, vendors/contractors, visitors.

PROTECTIVE MASKS AND OTHER COVID-19 PREVENTION MEASURES

Purpose

According to the Center for Disease Control and Prevention, COVID-19 spreads mainly from person to person through respiratory droplets produced when an infected person coughs, sneezes,

or talks. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Studies and evidence on infection control report that these droplets usually travel around 6 feet (about two arms lengths).

The primary purpose of the required use of protective masks, physical/social distancing, and other prevention measures is the mitigation of any spread of the COVID-19 virus in the workplace of Denmark Technical College.

Procedures

Consistent with the purpose above, Denmark Technical College has placed into effect the following processes and requirements:

I. Availability of Protective Masks and other Personal Protective Equipment (PPE)

- A. An initial issue of two (2) cloth protective masks will be made to each College employee and student on entry to the campus/site. Additional masks will be issued as needed and are available through the College Health Service for employees and students.
- B. Disposable masks will be issued to all vendors/contractors and visitors on entry to the campus or site.
- C. Gloves, gowns and other job specific PPE will be issued through the College Health Service as needed.

II. Wearing of Protective Masks

- A. Correctly wearing and maintaining your protective mask is key to prevention by:
 - Washing your hands before putting on your face covering
 - Wear the mask over your nose and mouth and secure it under your chin
 - Try to fit it snugly against the sides of your face
 - Make sure you can breathe easily
 - Don't put the covering around your neck or up on your forehead
 - Don't touch the covering, and, if you do, wash your hands
 - Untie the strings behind your head or stretch the ear loops
 - Handle only by the ear loops or ties
 - Fold outside corners together
 - Place covering in the washing machine
 - Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing.
- B. Protective masks must be worn indoors only when:
 - in classrooms/labs
 - in the cafeteria
 - in office spaces
 - campus-wide or called assemblies

Voluntary masking in all remaining areas of campus is supported.

C. Protective masks must be worn outdoors when:

- Within eighteen (18) feet of another person

III. Other COVID-19 Prevention Measures

A. Employees and students are required to observe and practice the following COVID-19 prevention measures:

- Remain home when experiencing any of the symptoms related to COVID-19
- Stay at least 6 feet away from others
- Avoid contact with people who are sick
- Wash your hands often, with soap and water, for at least 20 seconds each time
- Use hand sanitizer if soap and water are not available
- Sneeze or cough into your elbow
- Keep your hands away from your face, eyes and mouth
- Sanitize your individual work/personal space including computers, phones, desk, and other high-touch areas frequently throughout the day.

IV. Students/Employees who have Tested Positive for COVID-19

- A. Isolate yourself and stay home for five (5) days, and retest after five (5) days.
- B. Required to provide results of having tested negative before being allowed to return to the campus.

V. Individuals Released from Quarantine or Isolation

- A. Must wear face coverings/masks indoors and outdoors on campus for a minimum of five (5) days (day six [6] through day ten [10]).

PUBLICATION

The policy will be widely distributed to the College community. To ensure timely publication and distribution thereof, the Vice President for Institutional Advancement and Effectiveness will make every effort to:

- Communicate the policy in writing, electronically, or otherwise to the College community, including current and prospective students within fourteen (14) days of approval;
- Submit this policy for inclusion in the Policy Library within fourteen (14) days of approval;
- Post the policy on the College's webpage and all other related webpages, in the student handbook, and in the College catalog; and

- Educate and train all stakeholders and appropriate audiences on the policy's content as necessary.

Failure to meet the publication requirements does not invalidate this policy.

REVIEW SCHEDULE

- Next Scheduled Review: 3/30/2023
- Approval by College Cabinet:
- Revision History: N/A
- Supersedes: N/A
