

### **Outcome Measure #1: The Number of Program Completers (Required)**

- In the chart below, please indicate the number and percentage of program completers for the three most recent academic years. Note: the percentages of the last two columns must add up to 100% for each row (Copy and paste additional charts for each program if submitting multiple programs).

Program name: Early Care and Education

Academic Year	Number of program completers	% of program completers who were attending full-time (at the time of completion)	% of program completers who were attending part-time <sup>[1]</sup> (at the time of completion)
2023	2	2(100%)	0%
2022	3	2 (75%)	1 (25%)
2021	2	1 (50%)	1 (50%)

### **Outcome Measure #2: The Program Completion Rate (Required)**

- What is the published timeframe for full-time candidates to complete the early childhood program(s) included in this Interim Report? (Please indicate in terms of the number of academic years; e.g., five semesters would be 2.5 academic years.):

Candidates complete the program in four semesters / 2 academic years.

- In the following chart, please indicate the percentage of full-time candidates completing the program within the program's published timeframe.<sup>[1]</sup> The program must complete the information for the 150% indicator and choose to report on either the 100%, 200%, or 300% indicator. The academic years selected must fall within eight years of the date this report is submitted. (Copy and paste additional charts for each program if submitting multiple programs).

*Example: A program with a published timeline of two years (four semesters at 15 credits a semester) to complete an A.A.S. in Early Childhood could select a Fall 2016 cohort on which to report. The 150% indicator indicates all members of the Fall 2016 cohort (full-time at the time of enrollment) who completed the program by Spring 2019. The 100% indicator only contains members of the Fall 2016 cohort who completed the program by Spring 2018. The 200% indicator contains all members of the Fall 2016 cohort who completed the program by Spring 2020, including those already counted in the 150% indicator. Lastly, the 300% indicator contains all members of the Fall 2016 cohort who completed the program by Spring 2022, including those already counted in the 150% indicator.*

**Outcome Measure #3: Institutional Selected Data (Required, choose one measure)**

All programs are required to select at least one of the following outcome measures on which to report. (Institutions submitting multiple programs in a single Interim Report may select the same or a different measure for each program; a separate chart must be submitted for each program.)

- 2. **The number and percentage of program graduates employed in the early childhood profession or pursuing further education in the profession within one year of graduation for each of the three most recent academic years for which information is available.**
